Engineering Skills

</> Programming Languages

- Python
- C++
- JS
- Bash

☁ Cloud and Infrastructure

- AWS
- Serverless
- Terraform/Terraspace
- Ansible
- Docker/Kubernetes
- Vagrant
- Helm

📄 Version Control and CI/CD

- FluxCD
- Concourse
- Github / Actions
- GitLab / CI

🔒 DevOps and Security

- AWS Well-Architected
- Snyk
- Trivy
- Checkov
- Bridgecrew

Monitoring and Observability

- Grafana
- Prometheus
- Alert Manager
- Loki
- DataDog

Professional Software Portfolio

Pasteportal.info	AWS, Lambda, Python, JS
A better pastebin for Engineers, share code with ease.	
LazyLogs VSCode Extension	Node(JS)
Easy print() and console.log() with one key combo	
yoloCommit VSCode Extension	Node(JS)
Quick commit when you need to push fast	
SoundWaves iOS app	React native (JS)
Relaxing Sounds for focus or sleep.	

Experiance

06/'23 - Present — **Senior DevOps Engineer** — Century Tech
